- (a) 10% to BEE importers.
- (b) 20% to SMME and new importers.
- (c) 70% to Historical importers.

NB. Should there be a difference on the allocation basis between the provision of 4.1 above and the Table, the allocation basis in the Table will take precedent.

4.2 The allocation of quotas for permits will be done as follows:

- (a) SMME and new importers on an equal basis.
- (b) BEE importers either on an equal basis or as a historical importer, whichever will enhance government policy for BEE development.
- (c) Historical importers in proportion to the average quantity of the product concerned, imported by the applicant during the past three years (submitted for each year as from 1 November to 31 October) or the period stipulated for the product in column 5 of the Table.

4.3 The quantity imported by a historical importer will be calculated on the basis of a detailed list of bills of entry for the product concerned submitted together with the application form, for the period stipulated for the product in column 5 of the Table.

- 4.4
- (a) If the allocation for a particular category is not fully utilised, the balance may be re-allocated to the other categories, or may be held over for the particular category for the following application period stipulated for the year under consideration.
 - (b) In order to enhance government policy on BEE's, quotas for importers in the SMME and new importer's category, as well as the BEE category can be combined to ensure the most beneficial allocation.

4.5 If the market share for a particular applicant exceeds the limit for dominant firms contemplated in section 7(a)-(c) of the Competition Act, Act 89 of 1998 as amended; the Department can adjust the allocation formula to create fair competition within that industry sector.

4.6 Despite any provision in other law, applicants registered as joint ventures, mergers, consortiums, holding companies or other similar business arrangements are not allowed to apply separately from their subsidiaries, minority shareholders or divisions for the same product, as this will establish an unfair advantage towards other applicants.

4.7 A lost permit will only be replaced if an affidavit in this regard has been submitted and the Department is satisfied that the applicant acted in good faith and took the necessary steps to recover the original permit, as well as undertake to return the original permit if it is found. The pro forma of the affidavit is electronically available on the departmental website <http://www.daff.gov.za> or on request from TimothyM@daff.gov.za/ SisiC@daff.gov.za;
